The 1976-77 Annual Staff wishes to dedicate this yearbook to the sponsor of our organization, Mr. Larry Martell. This man is a very responsible individual dedicated to the proposition that all yearbooks should be out on time. He has worked very hard over the past several years, and we want to take this opportunity to thank him for his unselfish endeavors.

Many individuals do not actually realize the huge amounts of time and effort required in the processing of a yearbook. Much time is given by every single member of the staff so that a proper and enjoyable "scrapbook" of high school can be constructed--in time.

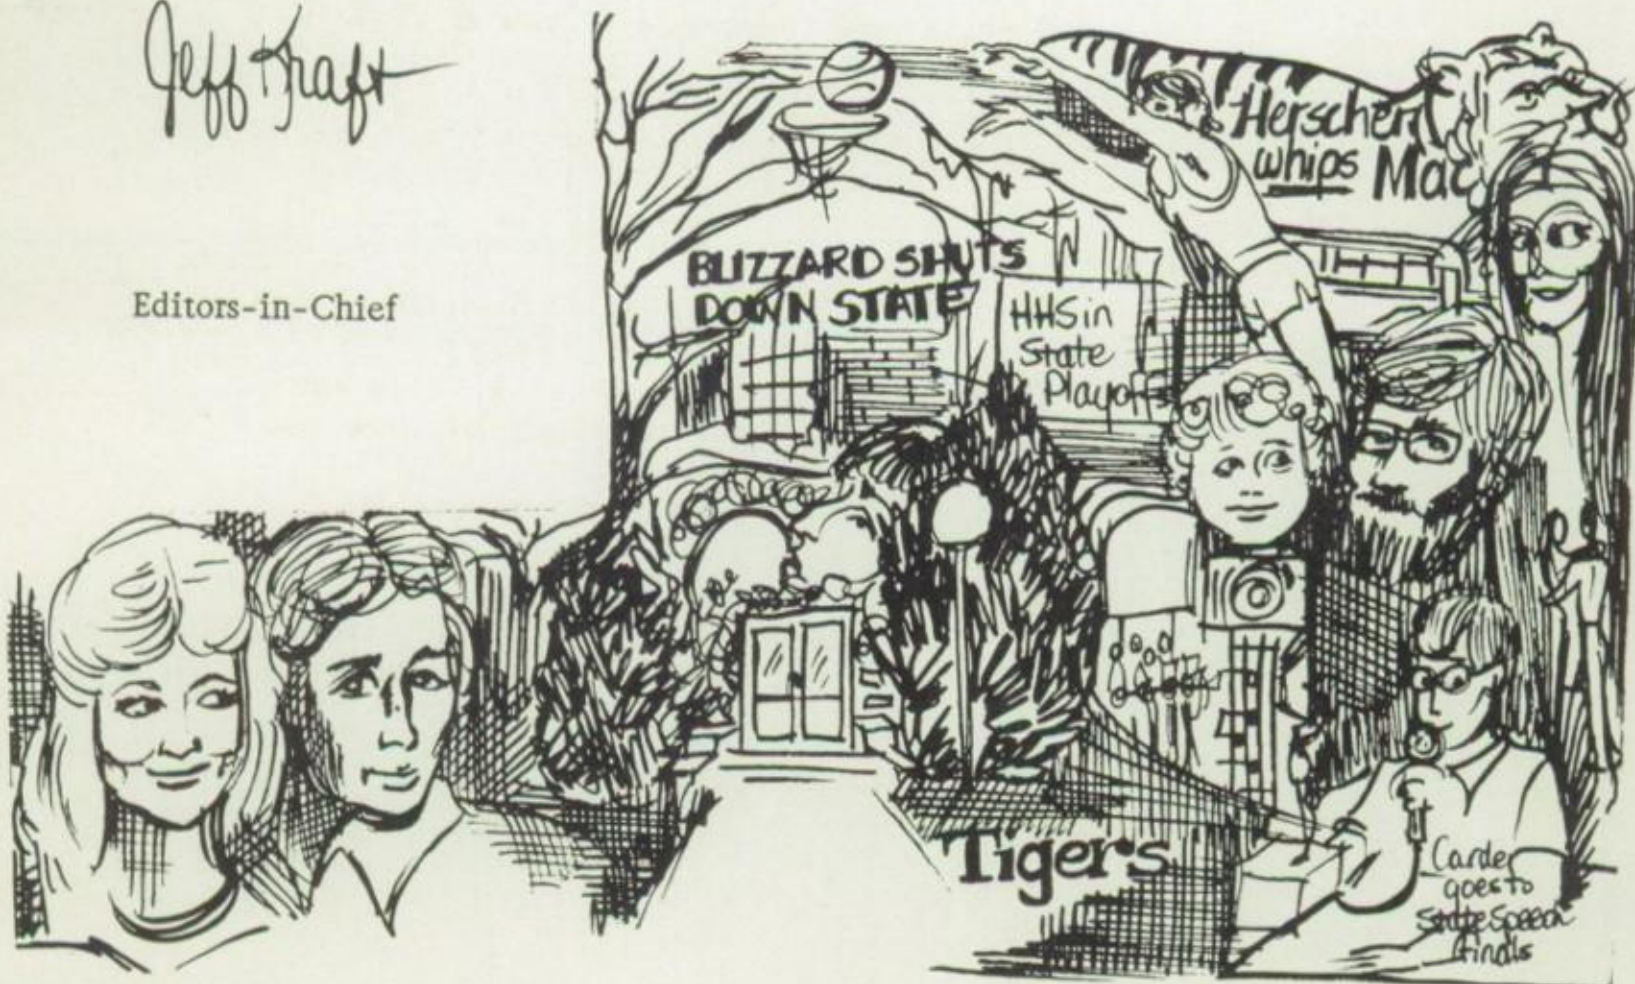

Once more, and most humbly, we would just like to say, "Thank you very much, Mr. Martell!"

Karen Sage

Jeff Kraft

Editors-in-Chief

The members of the Annual Staff would like to extend a deep and sincere appreciation to Herscher High School, the true source of all our memories, and we also wish to commend the Administration and their Staff who have worked so diligently over the years.

Also, we have something to say to the entire student body . . .

Thanks for the Memories

"Yes, we've travelled far and
wide together;
Did we travel too fast?
Now I reminisce and wonder whether
any good things ever last
But that, dear, is past.

"Thanks for the memories of
rainy afternoons,
Swingy Harlem tunes,
And motor trips and burning lips
and burning toast and prunes.
How lovely it was!

"Many's the time that we feasted
And many's the time that we fasted.
Oh, well, it was swell while
it lasted;
We did have fun and no harm done.

"So thanks for the memories and
strictly strenuous.
Darling, how are you?
And how are all the little dreams
that never did come true?

Awf'ly glad I met you,
Cherrio and toodleoo--

And thanks so much!"

Leo Robin and Ralph
Rainger.

STUDENT LIFE

Opening Night

"Opening Night" was chosen as the theme of the 1976 Prom by the junior class. It was held in the high school cafeteria on the rainy night of May 1, 1976.

The theme was created upon the legends around the legendary film capital of Hollywood. The color scheme was a simple black, white, and silver with red as an accent.

The aura of Hollywood was evoked by dividing the cafeteria area into two Hollywood night spots. Grauman's Chinese Theater provided the tables, and there was a pillared entrance to the dance area, the Trocadero.

The picture area was entrancing. A mansion front was erected and an old Ford was placed in front of the facade.

It worked. It was almost as if Gable and Lombard and Fred and Ginger could be found among the dancers. It was a night to remember and to treasure.

Prom 1976

Hooray for Hollywood!

Mae West's old quip, "Too much of a good thing can be--wonderful", was certainly proven true at the '76 Prom!

The juniors worked hard and the results were excellent. The celluloid capital, Hollywood, was indeed suggested by the decorations. The ghosts of Gable,

Garbo, and Garland transferred themselves to Herscher for one short evening.

Mr. O'Connor and the Prom Committee worked consistently in order to hit upon a theme. Some other suggestions were: "As Time Goes By," and even ones called "Mount Olympus."

Cinema was a great theme, for there will always be movie audiences, as long as there are movie-makers willing to entertain them, move them to tears, and fill their hearts with laughter.

English Department

Mrs. Paul, truly a Herscher legend, carefully observes her highly motivated classes.

General English is one of the most interesting classes Herscher has to offer . . .

You get alot of surprises in Mr. Desch's English I class!

Some people look like they were born to speak at the podium.

(Above Left) Take a look at those attentive faces and you can tell it's English II. (Middle Left) Here Mrs. Fisher is giving some more notes on Caesar. Strict attention must be paid! (Bottom Left) Now here's a person who doesn't let studies get him down. He knows that all work and no play makes Jim a dull boy!

Science

Mr. Gingrich keeps his Earth Science classes busy, busy, busy!!!

And they say teaching is a hard job!?!

(Above) "Get that camera out of here!"

Physics is one of those classes where you're more confused when you leave than when you come in!

(Right) Physics is so interesting that no one pays any attention to it!!!

Department

A typical, exciting day in Earth-Space Science.

Biology is the study of living things . . . from the inside out!

(Above) In chemistry, students learn to cause explosions, make poisonous gases, and break test tubes.

(Left) "Young man in the back, do you have a question?"

Social Learning

"I get so frustrated when you ask the same dumb question!"

These students are writing in 25 words or less on "Why I Like World History."

(Left) In Family Living, students learn why their parents want them to leave home.

(Left) Terri looks like she's reading. Actually, she's sound asleep.

WAKE UP!!!

Department

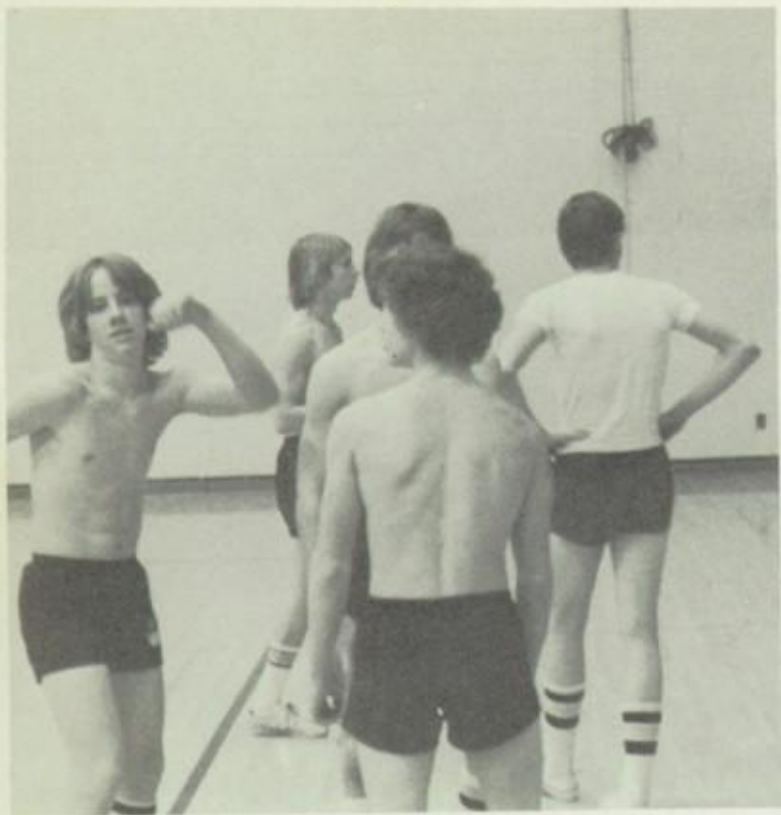

(Left) American History tests contain very hard questions such as, "In what year did the War of 1812 start?"

(Right) The biggest problem with this Current American Problems Class is that nobody will sit in the front.

(Left) "We're his managers and say no pictures of our star now! C
LOST!!!"

God's gift to women???

Working hard, fellas???

Boys and Girls

I wonder what she'd say if I kept on running . . . right out the door!!!

The tropical sun was warm and enticing as the people attending came in from the cold November night. Mrs. Christensen was the sponsor of this gala affair.

The decorations were of a tropical nature. The dance was from 8-11 P.M. in the high school cafeteria.

Members of the court engage in the traditional first dance. Queen Myra leads the way.

Art Department

Art is the time to create what you feel, in macramé . . .

. . . or pottery,

to work hard,

to get acquainted with others,

to meet great people,

or to just let yourself GO!!

Business Department

Shorthand is not only taking dictation . . .

. . . but also involves hard work . . .

. . . transcribing notes on the typewriter.

Accounting students have to use their heads . . .

. . . or do they??

These miniature file boxes are among the many jobs that Office Practice students undertake.

Kathy, I really didn't know until the prom this year and I'm glad I got to know you. You did a super job on the prom and I appreciate your effort. I had my doubts until you and Dottie went to work and got all the candidates for the list of queen summer. Thanks again and you are all done. Have a nice summer!

Recordkeeping gives me a HEADACHE!

You think you've got problems? (General Business)

Typing I requires quick fingers, a clear head, and a good day!

I think Typing II is great!

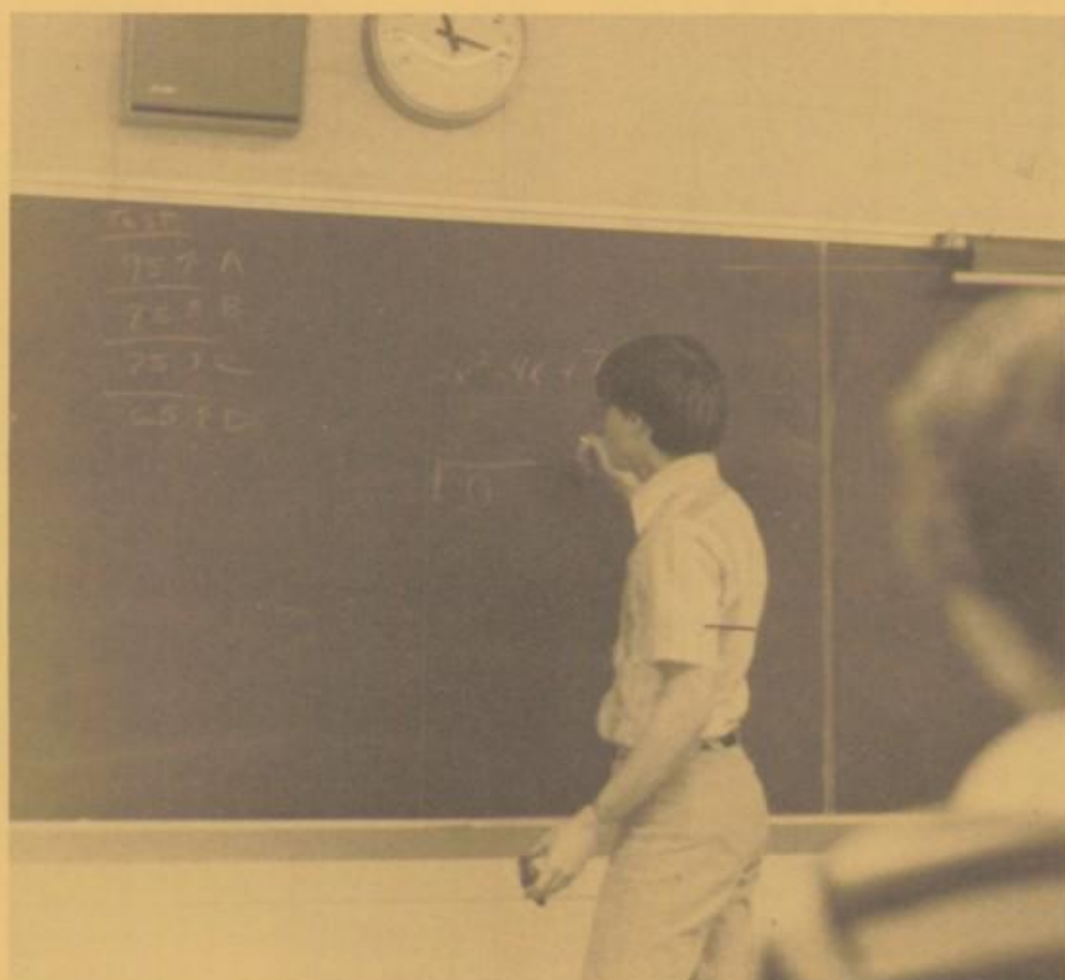

You don't believe everything you see, do you?

Math Department

(Right) No one in Algebra I volunteers unless they are absolutely sure of the answer. (Below Right) The kids in Algebra II often have to show Mr. Boster just how much they know up at the board.

$$X^2 \div Z^4 = ?$$

Here we have Steve "Teach" Carder tutoring Algebra II, working with the quadratic formula.

$$\pm \sqrt{\frac{b^2 - 4ac}{2a}}$$

Brian takes time out of his busy schedule in Algebra I to strike up a "cool" pose for one of our photographers.

SENIORS

The Class of 1977...*

CLASS OFFICERS (L to R): Marsha Deany (Secretary), Jeff Habedank (President), Gerald Berger (Vice-President). Mrs. Erickson and Mr. Desch (Sponsors).

*...leaves many memories!

The Senior Class has been involved in many activities during their four years at Herscher High. The highlights included seeing the '76-'77 football team become Tri-Champions of the Kankakee Valley Conference and advance to the state playoffs. The basketball team continued the winning spirit by defeating McNamara and taking first place in the Kankakee Valley Conference Tournament.

Another highlight included hosting the 1976 Prom, "Opening Night", which had a Hollywood setting. They also presented the Junior Class Play, "Lights Out", a mystery-comedy in three acts.

As each Senior leaves Herscher High, he or she carries with him some very unique memories of their past four years. We, the Annual Staff, hope that these past memories were pleasant. As you Seniors leave, the staff has one final message: "Herscher, 'Thanks for the Memories' "".

WANTED

Mr. O'Connor....for....
1) impersonating a bus driver, and
2) assault with a deadly calculator.

The Seniors are intent upon the capture of this odious villain. Observe, Natalie is already macrameing his noose. Well, you know what they say: "No noose is good noose!"

Idiot's
Delight

Any resemblance between these two characters and living persons is purely accidental.

"Please go with me to Christmas Ball?!"

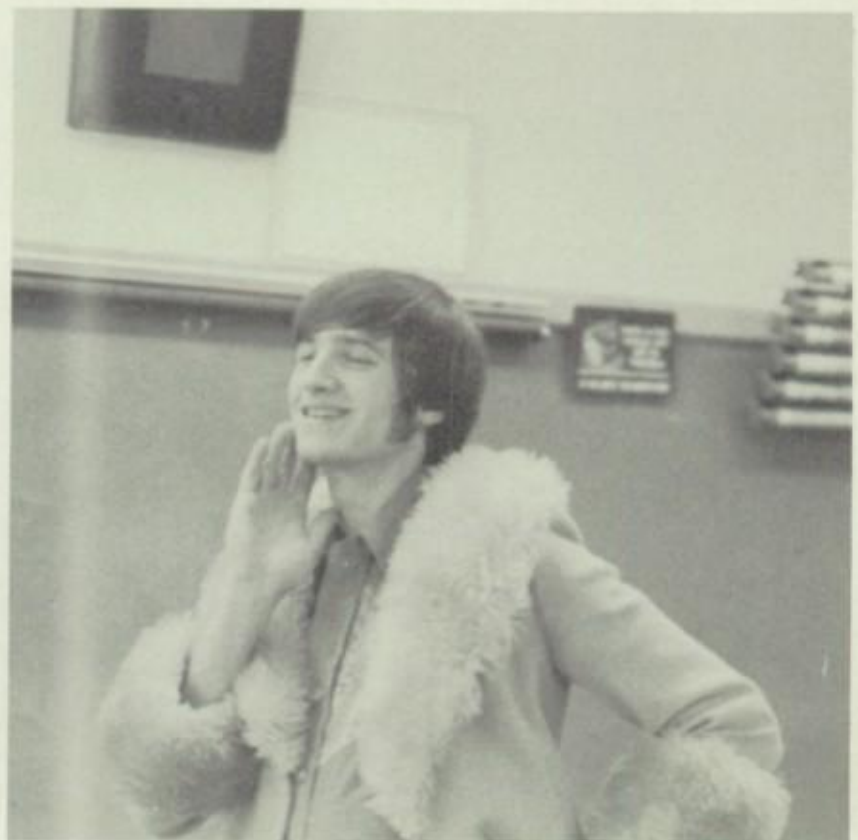

"Thank heaven, for little girls,
No matter where no matter who--
Without them--
What would little boys do?"

Angels with dirty faces--and some intoxicating ideas.

"I always say--keep a diary and one day it will keep you."

"I can't give you anything but love, baby . . . obviously."

"Oh, Mr. Martell, I'd love to . . . type those pages for you."

Three guesses as to what Mike and Chris think of that last call.

SCOTT: Jeff, you try my patience!
JEFF: I don't mind if I do. You must come over and try mine sometime.

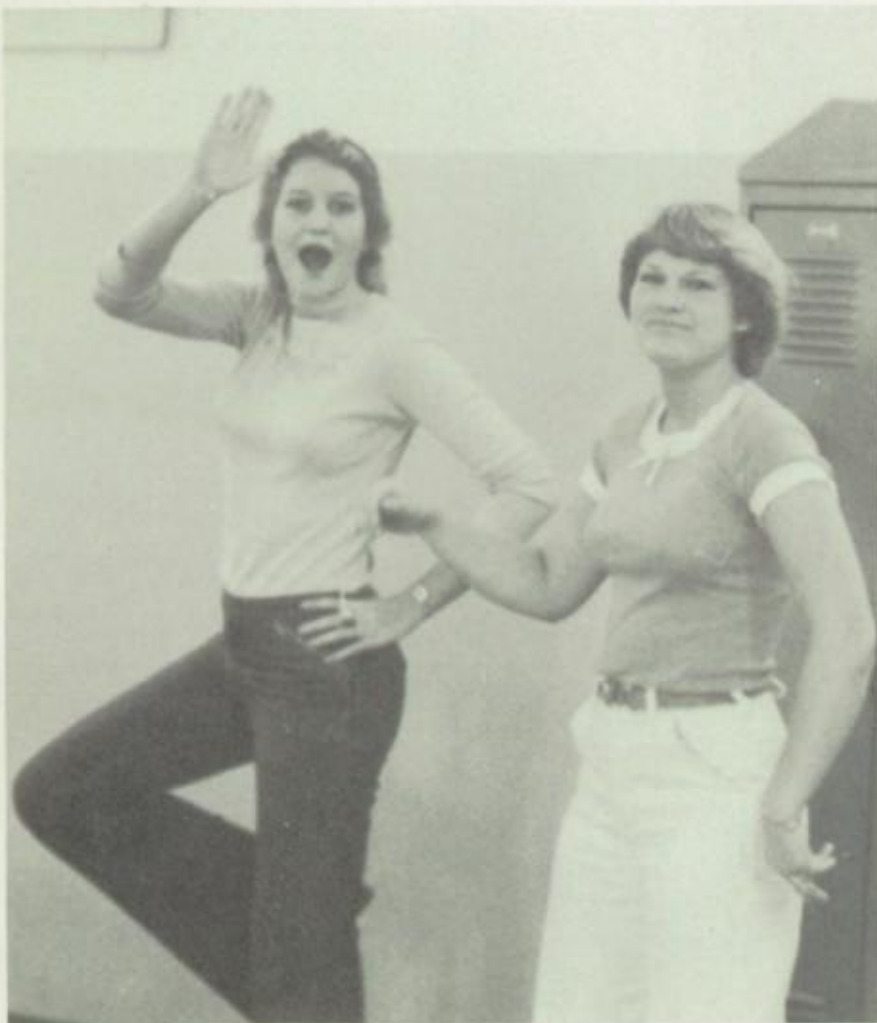

Herscher Seniors: A great group!

"Cathy, what is that on Mr. Taylor's face?"

People always wonder what a guy's been thinking when they've got a smile on their face like this. Eh, Randy?

Here are two of the Three Stooges. (Curly is out trying to "flick" Paula's "Bic").

"Who are you to talk? I'll bet your father spent the first year of your life throwing rocks at the stork!"

Images

"Up in the Valley of the Jolly Green Giant . . ."

"How about a flick of my Bic?"

Jeff appears "rrrrreal flustered" that the point on Brian's nose hasn't popped the bubble yet! (Also, Paula's "Bic has been flicked").

The Class of 1977 will always be remembered as one of great spirit. Despite much competition by the Sophomore class, they somehow managed to win the spirit stick every time. They have many memories of victory to treasure.

Who can ever forget the thrill of watching the Varsity team make it into the State Playoffs? And who can ever forget the anxiety on the faces of all the fans as they watched the basketball team defeat our old foe, Bishop MacNamara, 68-65?

It would take many volumes to summarize a Senior's thoughts on what he will remember most about his four years at Herscher. Thus, there is little choice but to leave those memories, good and bad, in the minds of the individual.

"Blecch! Mr. Stephens--did you lose a pig?"

"OK, pigeon, one more 'move' and you're dead!"

"What do you mean--you have to sneeze?"

"Geez, do you two really want my autograph?"

"You mean the cafeteria is REALLY closed?"

National Honor Society

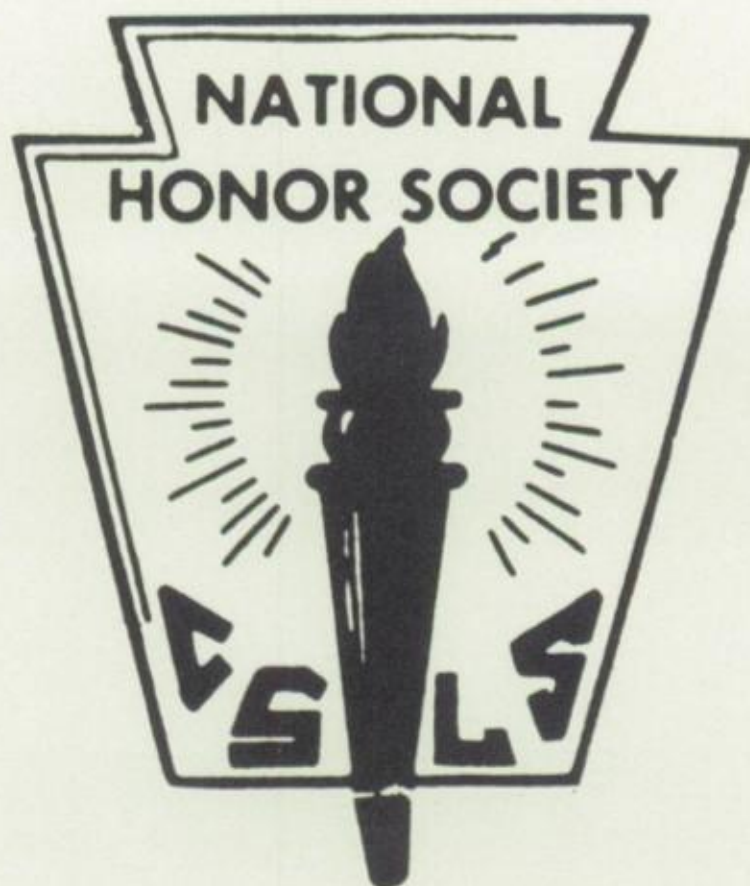

"The National Honor Society is an organization comprised of those students who excel in the areas of scholarship, leadership, character, and service. They are initially considered for membership if they have maintained a 4.0 grade point average through the first semester of their junior year. At this point, the characteristics of leadership, character, and service are considered by the faculty to determine if the student is qualified for membership. By the above procedure, the National Honor Society assures itself of having selected dedicated students who, hopefully, will become our future leaders in the areas of their choosing." Mr. Dunn.

Dramatic Duet Acting Jeff Kraft and Cindy Danhausen

Seniors Jeff Kraft and Cindy Danhausen won first place at District Speech Contest in Dramatic Duet Acting. Their selection was a murder scene from William Shakespeare's tragedy of jealousy, OTHELLO. Jeff has made it to Sectionals for the past three years while this was Cindy's first year in Speech Club.

District Headliners

Radio Speaking Steve Carder

Steve Carder, a Senior, had a great year in the difficult category of Radio Speaking. This category is especially nervewracking due to the fact that the individual presentation must be almost five minutes exactly, or else disqualification results. Steve won first at District and second at Sectionals. He was the first Herscher student ever to attend the State finals.

Humorous Duet Acting Dave Brocksmith and Dave Korup Verse Reading Dave Korup

Seniors Dave Brocksmith and Dave Korup also had a great year. They received third at District in Humorous Duet Acting for their knee-slapping rendition of "Death Knocks" by Woody Allen. Dave Korup also qualified by gaining first place in Verse Reading. He took both events to the Sectionals held at Yorkville.

LIBRARIANS

Pictured are Librarians: Nona Miller, Denise Smith, Karen DeCarlo, and Janet Dittrich.

The library is the place to go when you're looking for a good book to read, when you're trying to find a refuge from a certain person, or when you just feel like goofing off and not doing much of anything. But, generally, the library is the place for reading and studying. A lot goes on in the library, and it is usually buzzing with people.

The librarians are a big help to Mr. White and Mrs. Berghouse, who are usually busy trying to keep the kids in order. The Library--what a place!

Librarians are: Mike Meier, Brian Hamende, Barbara Ferris, Lance Cross, Tim Norgaard, Jim Rose, Steve Parker, and Connie Ohrt. Seated are: Cindy Cash, Susan Voigt, Linda Hove, Suzanne Berghouse, and Gloria Witheft.

Herscher High

The Herscher High School Marching Tigers, under the supervision of Mr. Dale Hopper, had a busy schedule as they prepared for the upcoming contests last summer. The first was held on June 12 at Whitewater, Wis., where bands came from across the nation to compete. Herscher received fourth place in this nation-wide competition.

The biggest event of the Marching Band Season occurred at Rock Falls when the Tigers placed first in their class division. They also participated in our nation's 200th birthday by attending the Champaign Bicentennial Celebration on July 4.

Marching Tigers

"First in class and first over-all" were the results of the Herscher Band display at the July 10 American Legion State Contest.

Other activities on the Marching Tigers' schedule included participating in the Danville Contest, and Conant High School Contest. They are also the highlights of the annual Labor Day celebration at Herscher.

Throughout the football season, the Marching Tigers perform in a half-time show, receiving praise and applause from spectators. As Fall passes, though, the Marching Band season, practices, and hard work seem to once again come to an end, until . . .

Jazz I

The Herscher High School Jazz Band I attended the 18th annual Oak Lawn Jazz Festival on February 5, 1977. The 20-piece jazz ensemble competed against approximately 20 other class A high school jazz bands. This was the eighth year that Herscher was present for the festival. Under the direction of Mr. Dale Hopper, the jazz band took the Best of Class A award with an excellent evening performance played to an audience of over 2,500. CONGRATULATIONS to a fantastic band--and their director!

ANNUAL STAFF WORKSHOP

"I wonder if Dean and Lynda are as unsure about this as I am."

Everyone seems to have "cracked up" over one of Mr. Mullins' jokes--well, almost everyone!

Beth Tascher seems to have other things on her mind besides yearbook production.

A workshop for Annual Staff members was held Friday afternoon, September 17, 1976, in the annual room. Presenting the program was Mr. William Mullins, a Graphics Counselor for 13 years.

Through slide presentations narrated by Mr. Mullins, staff members were introduced to the various techniques used to organize the yearbook.

At the conclusion of the presentation, several members remarked that the workshop was "very interesting" and never knew "so much work went into the production of a yearbook."

MATCHPOINTS

Top Row: Captain Jeff Kraft, Dean Hoffman, Steve Carder, Rich Moss. Bottom Row: Mr. Dunn (sponsor), Rick Manis, and Marcia Hess.

To be on Matchpoints is to be competitive. Each year, Mr. Dunn runs a double-elimination tournament which pits student against student in a five-round match. Any student as Herscher is able to try out for the team, but there are only six individuals who will eventually become members.

Matchpoints is a television show on Cable Six which runs a tournament among the Kankakee-area high schools to determine an academic victor among schools. The winners of this competition can be successfully compared to any winner of a sporting event.

Last year was Matchpoints first really successful year. They made it to the semifinals, only to succumb to the likes of Clifton Central. This year looks a bit more promising than last year. Congratulations to those who made the team--it was a tough climb!

There is no sport at Herscher more unrightfully overlooked than Cross Country. The members of the team are the only ones who can explain how grueling this excellent sport really is. Three miles to run in a race (and at least twice that distance at practices) literally staggers the imagination.

KVC Champions!

What a Year —

The Cross Country Team certainly started our school year off well. They became the first of our sports teams to garner the KVC championship.

One factor that certainly helped was their "all for one and one for all" spirit (which has now become legendary). Much of the credit for this attitude should go to Mr. Stephens.

Besides winning the KVC, they won the 19-team Paxton Invitational and the 12-team Manteno Conditioner. They placed 4th at District against the likes of Eastridge and Bradley-Bourbonnais.

Their season was a never-ending parade of victories. Congratulations to the team--they certainly deserve it.

Herscher escapes with KVC crown

By DAVE DYER

Journal Sports Writer

Herscher Coach Al Krieg insisted he was thrilled with the Tigers' Kankakee Valley Conference tournament championship they won Tuesday night at Bishop McNamara. He just didn't look the part.

"I'm not an emotional guy and I'm trying to keep my cool," said Al with a slight smile after Herscher held off a late McNamara rally to earn a 67-64 victory and the KVC crown. It was the second time this season (the fourth overall, including sophomore competition) he's defeated brother Jerry, the Irish coach.

"I'm not jumping up and down but this is a great thing for our school. I was looking back and it's been at least since 1963 that we've won the conference or the tournament. I don't even know if we won it then. I just stopped looking."

Al wasn't low-key only because it's his general nature, though. He was also that way because his team didn't play exceedingly well, particularly in three important areas.

- Although he scored a game-high 20 points, Dave Kirchmann had an off night, missing 11 shots and turning the ball over six times.

- Herscher got outrebounded by an unofficial 26-23 count, only the fifth time this season the Tigers have been beaten on the boards. Part of the problem was that starting center Rick Wingerter missed more than half the game with foul problems.

- Thanks to some sloppy ball handling against the press (14 turnovers in the second half), Herscher saw a 13-point advantage with six minutes left wilt and then barely hold up.

"That's happened to us the last five or six games," said Al. "We get a good lead and then we have a letdown. It's a lack of concentration or something."

"You hate to say this when you win but we didn't play up to our potential. We weren't aggressive and we weren't doing some of the things we've done in the past."

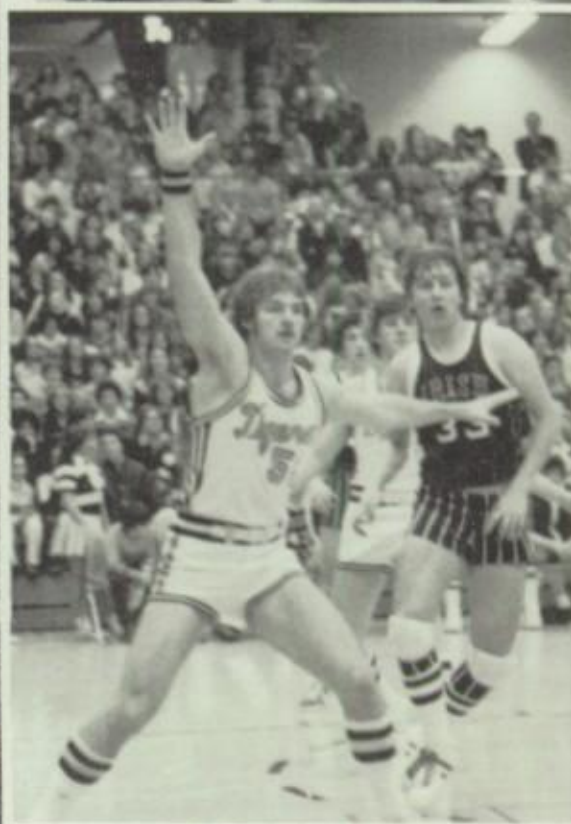

OVER IN the McNamara locker room, however, Jerry Krieg had a different story

"If they (Herscher) didn't play well, it's because we wouldn't let them," said Jerry. "I think that every team we play here doesn't look good. If they looked terrible it was because we pressured them. No one has the intensity on defense that we have."

Then how do you explain the loss, Jerry?

"I think he (Al) must have a whammy on me," he said. "But I don't think Herscher has a whammy on my kids; I'll never believe that."

"Maybe their coaching is better but our kids are just as good as anyone in the conference. I know some people will say I'm crazy but I really believe that. Maybe I should give up playing against him."

Herscher's hopes rest with Banister

By DAVE DYER
Journal Sports Writer

As another state tournament draws near, it's time to hope that this is finally the year that everyone can stop feeling sorry for Herscher.

The Tigers until now must feel like the odd man out. As one of the smallest Class AA schools in the state, they've been up against tremendous odds whenever they're forced to go up against the state's giants.

Even when they've put together outstanding teams, like this past fall in cross country, their hopes have wilted as the state grinder has gone on its way. The runners did qualify out of the district but they were whipped up like a bowl of potatoes when they got to the sectional.

And so it was, too, with Herscher's ace sprinters in the 1976 state track meet. Virtually untouchable among schools its own size, the sprinters faded in the shadows of the superstars of the Class AA's best.

INTO THIS rather depressing picture steps Steve Banister, the 119-pound Tiger mat standout. If things fall his way (and everyone needs a little luck in the state wrestling series), he could make a mark which Herscher can be proud of.

Banister is currently 22-1 and the champion of tournaments at Eastridge and Pontiac (where he shared the most valuable wrestler award) and the Kankakee Valley Conference champion. His only loss was a 5-1 decision to Yorkville's Dave Torres, last year's 112-pound Class A champ.

And why does Banister have a good chance of making it to the state meet and even placing there when others have failed? It's because Torres is so good that he could probably also win the Class AA meet.

Last year when Torres was a state champion, he compiled a record of 31-2-3 against a rugged schedule that includes such Class AA wrestling powers as Joliet Central and DeKalb. And this year, under the same circumstances, his record stands at 28-0. His closest match was against Banister.

"He (Banister) has always given Dave a tough match (when the two were juniors Torres won a 3-2 decision) and I've got a lot of respect for him," said Yorkville Coach Dennis Hastert. "He's very quick and very aggressive."

AND HOW does Banister feel

STEVE BANISTER

about his chances? Let's just say he's cautiously optimistic.

"I think I've got a good chance but the district's going to be tough," said Banister, who was 25-5 last year and a third-place finisher at sectional. "I won't be able to let up at all."

Banister's district reference is that the 119-pound class at Morris Saturday will be one of the toughest, with Eastridge's Pat Britt and Bradley-Bourbonnais's Dave Menigoz top contenders. He was supposed to meet Menigoz Tuesday in a dual meet but illness kept him out of action.

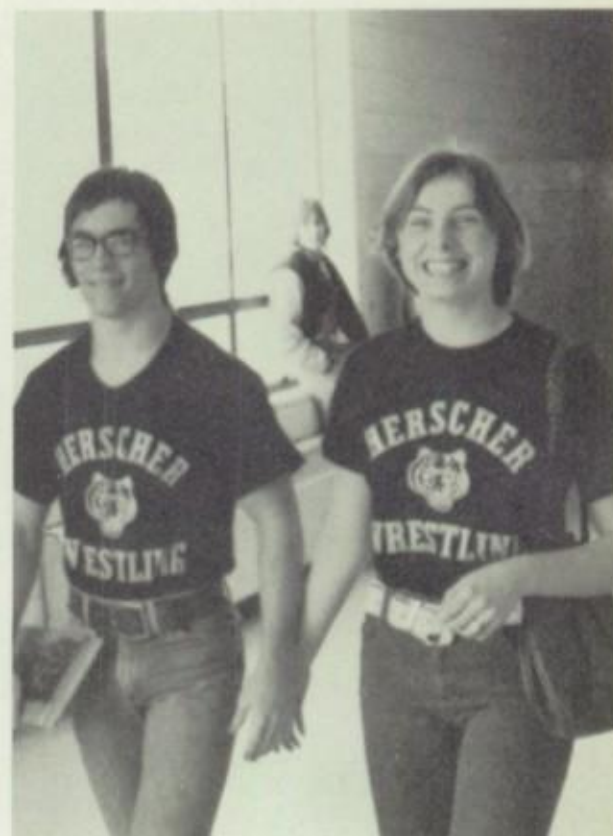

If Banister does make it, there'll be a lot of folks out in Herscher who'll say it's because he deserved it. He was captain of the standout cross country team last fall and he's a co-captain (along with Glen Harrison) on the wrestling team.

"I know this sounds corny but he's your all-American type kid," said Tiger mat coach John Reeser, "the kind you'd want for your own son. He works hard and sets a good example."

BANISTER ISN'T just deserving. He's got the incentive, the kind that is indicative of a small-town kid.

"I'd really like to at least get to the state meet, this being my senior year and all," said Banister, who's a four-year varsity wrestler. "I went down to the state meet last year to watch and it's in this great big place called the Assembly Hall. It'd be a great experience to wrestle there."

It'd be great for an all-American kid like Banister, true. But it'd also be great for Herscher.

Although our wrestling team did not quite finish first in the KVC conference this year, the team captain, Steve Banister, finished in second place at Sectionals in his weight division. At the time of this writing, he was preparing for the State competition to be held in Champaign. The article at the left will explain the rest of the story much more eloquently.

Congratulations to Steve and to the rest of the team for a job well done.

Kathie,
Are you glad were coming towards
the end of the school year. I am.
Its been a very long school yr. Just
think we'll be seniors next yr., +
then it'll be our turn to graduate. What
a bummer. Have fun this summer
and stay out of trouble. Remember
the good old times we had getting up
at 4:30 in the morning to go to
marching band. But, it was always
fun. Right! We'll be doing it again
soon, so get ready to get up for band.
HA! Best wishes + good luck always.
See ya in marching band, + would
you please tell Jeff T. to quit teasing
me! ☺

I'm sure glad u got to know
you thru past couple of months,

that I've knew. especially coming
from such a quiet school.
I'm taking about Alvin High.
I want to hope I don't have to
graduate from there (no joke) this
year. I'm sure you'll be a drop in
the bucket. Well so long the people
that we love and we just do
you. well it doesn't make school
so bad. Good luck always
